Dear Ms Hanou

We would like to place on record our appreciation and thanks for your excellent performance which contributed greatly towards the success of our Hotel in general and the Fish Market Restaurant in particular. The atmosphere was lively and vibrant yet pleasant which gave our guests an enjoyable dining experience and made them come back time and time again.

On behalf of the InterContinental Doha, may I say that you will always be a part of our team and take this opportunity to wish you all success in the world of music.

Thank you once again and good luck!

Best regards
